Dear all,

Following on from Rhonda's email on Friday I am writing to you with some more detail around summer provision.

## Let's Get Loud – Summer Camp

There will be a summer camp provision at Broadstone Middle school but is available to all year groups at Broadstone First and Middle Schools.

There are 2 offers – a Multisport program and a Creative Arts program. Both offers will run every day for 2 weeks, beginning 27<sup>th</sup> July until 7<sup>th</sup> August and will be run as an independent enterprise but with many school staff who pupils will know. There is a cost involved in this and bookings need to be made by following either link below, where you will also find more information:-

## FIS directory

Family Information Support is a key source of local information. They collate everything that is available locally so that parents can access information from one point. If you contact them directly someone will get back to you with information on local events as well as child minders or child care support in their area.
