

6 July 2020

Dear Parents/Carers of Reception

## Farewell Reception

It has been so lovely having many of our Reception children back in school albeit a little different. School is just not the same without everybody being here together. As we quickly approach the end of the Summer Term, we could have never predicted this unusual end to the school year. This is not the way we would have wanted the last few weeks of their time in Reception.

On **Monday 13 July** the Reception team will be sharing a 'Farewell to Reception' video via Tapestry for all to watch. This will be a lovely opportunity for your child to see the Reception team again and take part in an activity designed by the teachers. As we have children from Reception working in school and at home, we have decided that Tapestry is the best platform for us to share this with you. This way you can access this at a time that is convenient for you and your family and respond if you wish to via Tapestry, as you have done previously.

In addition to this, we hope you enjoyed getting to know your Child's new class teacher through their introduction video emailed to you last week. As staff, we have been carrying out transition meetings, ensuring all information regarding your child is handed over to their new teacher, ready for when your child returns in September. We plan to hold a meet the teacher event early on in the Autumn Term, this will be an opportunity for you to meet the teacher, ask questions and share any concerns you may have. If you feel that you urgently need share information with your child's new class teacher before September then please do get in contact with them.

As always if you have any questions then please do get in contact.

Best wishes

A handwritten signature in blue ink that reads "Rebecca Wood". The signature is written in a cursive style and is underlined.

Rebecca Wood

Head of School
