Dear All,

TRANSITION EVENT!

We hope have now received your welcome pack and have enjoyed taking time to look at the transition booklet to find out a little bit more about the school and how things work at BMS.

I am so excited to be writing to you again, in the last letter under the guidance set out by the government we just could not see a possible way to have you all in school at least once before September. Since then, the guidance has been updated and our senior leaders have put their heads together and are delighted to be able to now offer you a transition event before the end of the summer term!

On July 1st you will receive an email with a video link or voice note from your class teacher. This will be your initial opportunity to get to know a little bit more about them. A video from Mrs Wilks, Miss Palmer and Mrs Wood will go live on the transition page and a virtual tour of the Year 5 area. There are also some activities to complete in your welcome packs and we would love for you to bring these to school with you in September.

On Wednesday 8th July, we are so pleased to have an opportunity to able to welcome you into school. To ensure we mitigate risk and adhere to guidelines each class will come into school for an hour and a half and you will be based on the courts in the playground. We will have set up enough chairs, socially distanced, to enable us to run an excellent transition event. You will be greeted in the car park and shown down to the playground so that you do not have to enter the building and your class teacher and senior leaders will be there to meet you. At BMS we like to do things a little differently, there will be a number of challenges for you to complete some involving balloons and water pistols!

We understand in current circumstances that you may feel uneasy or have some more questions about the event. We really would love for you all to be involved and are always happy to answer any queries you may have. We do ask that if you would not like your child to participate in this event that you email in either to the school office or directly to myself.
