Dear Parents/Carers

Year 4 Update

We hope that you and your families continue to be safe and well at home. We are deeply missing all of our Year 4 children and school is not the same without their smiley faces, heaps of energy and enthusiasm. Not a day goes by without us thinking about them. We are so proud of all they are doing at home and we continue to enjoy seeing and hearing what they have been up to.

As I write this letter I am filled with great sadness as ordinarily around this time of year we would be writing to you about the plans in place to celebrate and mark their time with us at BFS. Never could we have predicted or even considered the times we find ourselves in now.

With only four weeks left of the Summer Term we know that it is highly unlikely that our Year 4s will return this academic year. We are deeply saddened, as this is far from how we would have wanted to spend our last few weeks together. As much as it may not be possible to return, please be assured that we have not forgotten them. We are continuing to keep a close eye on the government guidelines and where possible we are hoping to hold a closure event to mark the end of their time with us.

Please share this message with your child and let them know we are so proud of every single one of them and missing them dearly. We will continue to keep in regular contact with you and update you of the plans we will hopefully be able to put in place. Please know we will do all we can to ensure we say a proper goodbye and celebrate their final year with us.

As always if you have any questions or queries please do not hesitate to contact the school office via phone or email.

Best Wishes

Rebecca Wood
