

24th June 2020

Dear All,

Welcome and Classes 2020-21

We hope this letter finds you and your family well.

As we've said before we truly are delighted to be welcoming you to Broadstone Middle school and look forward to having you as a part of our family. We know we find ourselves in very strange circumstances and we really are trying our best to continue to make transition smooth and work with you albeit from a distance! We still are unsure on what September will look like but aim to write to you regularly to keep you updated and for your pupils to begin to get to know us a little bit better.

In this welcome pack you will find:

- A welcome booklet with lots of information about the school
- A transition booklet for your children to learn about their new school
- Transfer Day activities
- Resources to support you to complete the activities
- A link to our CATLIVE webpage

We would love to have you all in school on transfer day, to be able to put some names to faces and start to get to know each and every one. Sadly, this year it is just not possible. What we have planned is the launch of our transition page on www.catlive.co.uk where you will be able to virtually meet your teacher and year group teachers. You can also browse our blog to see what our pupils and teachers have been up to and have a look at our home learning packs.

Classes for 2020-21

I am delighted to be able to share with you the details of your child's class and teacher for next year. The team have worked really hard to ensure the correct balances across the year groups and that where possible pupils are with a friend or a familiar face. We've taken the time to carefully pick the right tutors for the children in their form class. We are really pleased this can be with you early this year to hopefully alleviate some worries and give your child more time to familiarize themselves with the arrangements for next academic year.

CHILD'S NAME is in CLASS with FORM TUTOR

As always if you have any questions or queries please contact directly to the school office via phone or email myself: j.palmer.st@bmsweb.co.uk

Yours sincerely,

Miss J Palmer
