Dear All,

### **Year 8 Update**

We hope this letter finds you and your family well.

We deeply miss our Year 8's, school truly does not have the same atmosphere without them! We could have never predicted such a strange and sad finish to the year at Broadstone Middle and from the bottom of our hearts this would not have been our chosen way to end of their time here. We know just how unsettling this has been for many of them.

With 4 weeks of the summer term left we know that it is highly unlikely that Year 8 will return this academic year. This does not mean we have forgotten them, far from it! (I mean how could we possibly!) We will continue to keep a close eye on the government guidelines and when possible we will hold a closure event for them. In the meantime, keep a close eye on the post and continue with your fantastic home learning. It has been great to see some of the work you have submitted and the feedback conversations so far are going well.

With regards to their classes next year we have been in contact with CHS and know this is underway but not quite ready to be published to you yet. We have ensured that they have received the pupils' friendship flowers and asked them to take this into consideration. We would advise that if you have any queries about classes and transition for next year that you contact CHS directly. We are of course more than happy to discuss and answer as much as we can our end and would love to hear from you and see what you have been up to.

Those who are not transitioning to CHS we have been in contact with your future schools and ensured to pass on the relevant details. They will be in contact with you soon.

We will keep in regular contact and keep you updated and when we have firmer plans for the closure events we will let you know.

As always if you have any questions or queries please contact directly to the school office via phone or email myself: [j.palmer.st@bmsweb.co.uk](mailto:j.palmer.st@bmsweb.co.uk)

Yours sincerely,

Miss J Palmer  
Head of School
