

W/C 23/11/20 : Learning Project Year 5

Welcome to the 2020/2021 Learning Projects. Please be reassured that the tasks set by our teachers are designed to support your child to continue working on content that is matched to the coverage planned for the rest of the learners in their year group.

Please use this document as your starting point. Reading, Writing, Maths, Phonics and/or Spelling remain our absolute priorities. **A member of staff will be in touch within the first few days of absence to discuss your child's learning for this period of time.**

Reading for pleasure is a serious business at the Castleman Academy Trust, read, read and **read** some more! Our class shared read for this week is Wonder by R J Palacio.
